

QUALITY FERNS & WILDFLOWERS

STRAND NURSERY

.....
since 1897

Dear Patrons,

We are excited for the 2017-2018 shipping season. Our hope is that you had a wonderful summer and are looking forward to the upcoming season, as well.

There have been some changes to our price list this year. Not a great deal has changed but enough that we recommend taking a few moments to look over the changes. We did send an email out detailing these changes in the spring of 2017 but want to make sure that we remind you all to be aware. The main points you need to know:

1. Our mailing address changed several years ago. However, there are still many overdue invoices as a result of mailing checks to the old address. Please update your address to:

Strand Nursery Company
2894 240th St.
Cushing WI 54006

2. Many plants are special order only. Special order plants are collected at an as need basis and not stored in our storage facility. Because of this, we ask for a 4 week lead time, a 200 minimum, and ship only certain months of the year. These plants will also be given a separate order number and invoice.

Sincerely,

Nathan & Janel Hutton
